Minimum Allocation per Continent

Except for the continent of the host nation, in case a continent does not have at least one (1) NOC represented, the last available quota place(s) through the Olympic Qualification ranking will be allocated, with a maximum of one (1) quota place per NOC, to the highest ranked NOC of that continent.

HOST COUNTRY PLACES

For each gender, the Host Country is guaranteed one (1) quota place in case it did not qualify any qualification places. If the Host Country qualified qualification places, the Host Country place(s) will be reallocated as detailed in paragraph F. **Reallocation of Unused Host Country Places.**

TRIPARTITE COMMISSION INVITATION PLACES

In BMX Racing, no Tripartite Commission Invitation Places will be directly allocated as part of the athletes' quota. Tripartite Commission Places may be offered to NOCs within the reallocation process for unused qualification places in individual events, once the initial quota allocation has been completed as described in paragraph F. **Reallocation of Unused Qualification Places.**

On 14 October 2019, the International Olympic Committee will invite all eligible NOCs to submit their requests for Tripartite Commission Invitation Places. The deadline for NOCs to submit their requests is 15 January 2020. The Tripartite Commission will confirm, in writing, the allocation of invitation places to the relevant NOCs after the end of the qualification period for the concerned sport.

Detailed information on Tripartite Invitation places is contained in the "*Games of the XXXII Olympiad, 2020 Tokyo - Olympic Games Tripartite Commission Invitation Places - Allocation Procedure and Regulations*".

E. CONFIRMATION PROCESS FOR QUOTA PLACES

Should any quota places remain unallocated after application of the allocation process as described in paragraph **D. Qualification Pathway**, they will be allocated - with a maximum of one (1) quota place per NOC - to the next highest ranked NOC in the UCI Olympic Qualification ranking, which has not yet obtained a quota place.

On 2 June 2020, the final UCI Olympic Qualification ranking and the UCI BMX Individual rankings will be published on the UCI website (www.uci.org), and by 9 June 2020 the UCI will inform the respective NOCs of their allocated quota places. The NOCs will then have 14 days to confirm if they wish to use these quota places, as detailed in paragraph **H. Qualification Timeline**.

F. REALLOCATION OF UNUSED QUOTA PLACES

REALLOCATION OF UNUSED QUALIFICATION PLACES

If a quota place allocated is not confirmed by the NOC by the confirmation of quota place deadline, or is declined by the NOC, the quota place will be reallocated to the next highest ranked NOC in the UCI Olympic Qualification ranking of 2 June 2020, which has not yet obtained a quota place.

If a quota place remains unallocated, all such quota places will be reallocated by the Tripartite Commission as a Tripartite Commission Invitation Place.

REALLOCATION OF UNUSED HOST COUNTRY PLACES

Should the Host Country qualify qualification places or decide not to use the allocated Host Country places, the latter will be reallocated to the next highest ranked NOC in the UCI Olympic Qualification ranking of 2 June 2020, which has not yet obtained a quota place.

G. GENERAL PRINCIPLES REGARDING THE USE OF RESERVE AND P ALTERNATE ATHLETES

RESERVE ATHLETES

Competing athletes, who have an Aa accreditation and who are entered by their NOC in any cycling event, may be selected to replace another entered athlete in a different cycling discipline/event until the time of the final confirmation for that event.

Reserve athletes must comply with the same eligibility rules as competing athletes as described in paragraph **C. Athlete eligibility**.

P ALTERNATE ATHLETES

P alternate athletes are non-competing athletes, and are not included within the athlete's quota as described in Paragraph **B. Athletes Quota**. More detailed information about entitlements and quotas can be found in the '*Accreditation at the Olympic Games – Users Guide*'. P alternate athletes can only become competing athletes as per the conditions outlined in the '*IOC/Tokyo 2020 Late Athlete Replacement policy*'. Such replacement can be done at latest until 1 hour before the competition begins.

QUALIFICATION SYSTEM – GAMES OF THE XXXII OLYMPIAD – TOKYO 2020

Eligibility:

P alternate athletes must comply with the same eligibility rules as competing athletes as described in above paragraph **C. Athlete Eligibility**.

Quota:

Each qualified NOC is entitled to one (1) P alternate athlete per event in which they have quota.
